PLAGIARISM

- 2.5oz Goslings Black Seal Rum
- 3oz Cold Brew Coffee Concentrate
- 1oz Demerara simple syrup (see instructions)
- 1 whole egg
- 4 dashes of Scrappy's Chocolate Bitters

Put ingredients in shaker with the spring from your cocktail strainer (to agitate the egg for a frothy/silky drink). Shake for twenty seconds and serve on the rocks.

(To make the syrup, use Demerara sugar and make a simple syrup using two parts sugar to one part water)
